BOTANIC GARDEN

Private Events

DAYTIME SOCIALS

Tower Hill Botanic Garden is one of New England's premier locations for your private event, offering a serene backdrop of gardens, woodlands, meadows, and mountain views that will leave your guests inspired and in awe of their surroundings. Whether it is a bridal or a baby shower, birthday, retirement, or cocktail party, whatever the occasion may be, Tower Hill provides a picturesque environment that your guests will talk about for years to come.

Each season offers a different garden experience—Spring brings beautiful bulbs including daffodils, tulips, and tender perennials. Summer: Lilies, Daylilies, and lush greens. Fall: the colorful New England foliage. Winter: semi-tropical plants and citrus trees in our two conservatories. Plus countless more plants, trees, and foliage, as well as some very friendly chipmunks!

Décor must be free-standing and not affix to walls, ceilings, or plants. Tower Hill's plants and flowers are not able to be moved into or out of event spaces, so feel free to bring in your own arrangements. Event Locations

LIMONAIA

The Limonaia is a conservatory (or greenhouse) designed for our tropical and sub-tropical plants during the colder months. Surrounded by beautiful views of our Winter Garden on one side and the Garden-Within-Reach on the other, the Limonaia's curved beams and contemporary architecture fits perfectly with popular décor trends.

ORANGERIE

The Orangerie, like the Limonaia, is a conservatory (or greenhouse) designed for our tropical and sub-tropical plants during the colder months. It is a modern interpretation of an eighteenth-century-style greenhouse. With its glass ceiling and stunning architecture, this space will give you that "wow" factor you're looking for!

SOUTHEAST LINK

The Southeast Link is a lovely space with floor to ceiling windows, slate floors and a view of gardens and woods.

CONFERENCE ROOM A/B

A bright, open space, this conference room can be divided in two. The wall of windows looks out to beautiful views of Wachusett Reservoir.
