

10

kid-friendly ACTIVITIES

1 Collect leaves from the ground. Use a field guide to identify the tree they came from.

2 See how long you can balance on a log at the Stumpery. Can you beat your own record?

3 Create a cairn in the Stone Stacking area. How tall can you make your stack?

4 Use your senses to observe plants. Feel the different textures and smell the different aromas.

5 Look for bugs in their natural habitat. Take pictures of the insects you find and observe your specimens up close.

6 Lay in the clover on the circle lawn and cloud watch.

7 Scramble over boulders or host a performance in the stone amphitheater.

8 Start a nature journal. Bring along a notebook and record your experiences with notes, drawings, stories, or poetry. Try writing a nature haiku.

9 Play a game of hide and seek in the Brush Pile.

10 Visit the water feature. Look closely. How many frogs can you spot?
