Whether it is a bridal or a baby shower, birthday, retirement, or cocktail party, whatever the occasion may be, New England Botanic Garden at Tower Hill provides a picturesque environment that your guests will talk about for years to come.

Each season offers a different garden experience—Spring brings beautiful bulbs including daffodils, tulips, and tender perennials. Summer: Lilies, Daylilies, and lush greens. Fall: the colorful New England foliage. Winter: semi-tropical plants and citrus trees in our two conservatories. Plus countless more plants, trees, and foliage, as well as some very friendly chipmunks!

EVENT LOCATIONS

LIMONAIA

The Limonaia is a conservatory (or greenhouse) designed for our tropical and sub-tropical plants during the colder months. Surrounded by beautiful views of our Winter Garden on one side and the Court on the other, the Limonaia's curved beams and contemporary architecture fits perfectly with popular décor trends.

ORANGERIE

The Orangerie, like the Limonaia, is a conservatory (or greenhouse) designed for our tropical and sub-tropical plants during the colder months. It is a modern interpretation of an eighteenth-century-style greenhouse. With its glass ceiling and stunning architecture, this space will give you that "wow" factor you're looking for!

SOUTHEAST LINK

The Southeast Link is a lovely space with floor to ceiling windows, slate floors and a view of gardens and woods.

CONFERENCE ROOM A/B

A bright, open space, this conference room can be divided in two. The wall of windows looks out to beautiful views of Wachusett Reservoir.
