

# CALLING ALL ARBORISTS!

## JOIN HANDS WITH ART FOR NATURE - A UNIQUE SPONSORSHIP OPPORTUNITY

New England Botanic Garden at Tower Hill is excited to announce a special sponsorship opportunity exclusively for tree care and arborist companies. Our upcoming art exhibit “Kinetic Poetics” is not just an exhibit; it’s a celebration of the bond between nature and art. And we need your expert hands to help us bring this vision to life!

### What We Need:

- Your in-kind arborist services to install artwork on one of our trees.
- We need climbers, as some trees are not accessible with a lift!

### What You Get:

- 1. On-Site Recognition:** Your company’s name will be prominently displayed at the exhibit, acknowledging your crucial contribution.
- 2. Exclusive Tour led by our Manager of Exhibitions Lea Morgan:** Be our special guests with a guided tour of the art exhibit, witnessing firsthand how your services bring art to life.
- 3. 100 General Admission Tickets:** Share the experience! You’ll receive 100 tickets to the exhibit for your team, clients, or friends.

### Why Join Us?

- **Showcase Your Commitment:** Demonstrate your commitment to the environment and the arts in a unique and meaningful way.
- **Community Engagement:** Engage with the community and art enthusiasts, increasing your company’s visibility and goodwill.
- **Support a Cause:** Be a part of something bigger – your services will directly support the arts and the environment.

**Interested?** Contact our Manager of Corporate and Foundation Relations Catrin Weimbs at [cweimbs@nebg.org](mailto:cweimbs@nebg.org) to discuss how we can collaborate. Let’s make art and nature thrive together!
