“We can never say thank you enough to Amelia...I’m still amazed with her professionalism, her attention to details, and how much she put into making sure we got the day that we wanted. She’s truly amazing! Most of all, the venue is breathtaking. I felt we were surrounded in beautiful flowers, textures, and greenery...I couldn’t recommend NEBG and Amelia enough. Best decision we made. ”

The Details

From **late-May through early-September**, New England Botanic Garden at Tower Hill can accommodate weddings of **up to 120 guests**. Ceremonies may be held in our *Secret Garden, Lawn Garden, or Limonaia Conservatory*. Cocktail Hour may be held in the *Winter Garden, Reservoir Room, or Great Hall*. Receptions will take place in the beautiful 18th-century-like glass conservatory, the *Orangerie*. All of our outdoor garden sites provide an indoor plan in case of inclement weather.

Wedding Specialist: Our Wedding Specialist will assist you throughout the entire planning process. In the weeks leading up to your wedding a final planning meeting will be scheduled with your Wedding Specialist and your catering Event Designer. In addition to working with you leading up to your wedding, your Wedding Specialist will run your ceremony rehearsal, coordinate with your vendors, and guide you through all the details on the day-of.

Day-Of Event Assistants: On the day of your wedding, NEBG at TH has Event Assistants available to assist the Wedding Specialist in executing all the details of your event.

Ceremony: Ceremonies are booked for a half hour period of time, beginning no earlier than 6:00pm. For on-site ceremonies, rehearsal will take place the day prior to the wedding from 3:00pm-4:00pm. We do not have a bridal suite available and ask that you arrive to the property fully dressed.

Reception: Receptions, including cocktail hour, are booked for a five hour period of time, with the option to extend the rental up to one hour (added to the end of your event). If your ceremony is hosted on-site, reception rentals will run from 6:30pm-11:30pm. With an off-site ceremony, reception rentals may begin as early as 6:00pm.

Photos: Your wedding party and family are permitted on the grounds as early as 4:30pm for your first look and photos on site. The use of drones or remote controlled aerial vehicles launched, operated, or retrieved on NEBG property is not permitted.

Setup and Breakdown: Vendors may begin setup at 4:00pm in the Orangerie and 4:30pm in all other locations. Breakdown will immediately follow the event. Any breakdown exceeding one hour after the conclusion of the event will be billed to the client at \$500 per hour. Décor may be dropped off the day prior to the wedding at 3:00pm for overnight storage.

Equipment: Ceremony and reception chairs and a variety of tables are provided by NEBG at TH for your wedding.

Membership: A membership to the gardens at the "friend" level is included in the rental rate.

Food & Beverage: NEBG at TH works with an exclusive caterer, Peppers Artful Events, who will provide all food and beverage for your wedding. Food and beverage pricing is in addition to the venue fee. Outside alcohol is prohibited as well as "gifting" of alcohol such as in favors. Ceremony Locations

Lawn Garden – The Lawn Garden has an open and airy feel while still positioned in the heart of the property. From May to June, spring bulbs add a pop of color to the surrounding garden beds and flowering trees are in bloom. From July to September, summer perennials take over providing lush borders to the large central lawn.

Secret Garden – The Secret Garden is our most popular ceremony location. This intimate garden is located on the far south end of the property at the bottom of the Lawn Garden staircase below the pergolas. By late spring, annuals are planted and perennials begin to bloom. This garden space is at its most lush and colorful from July to September. The fountain, pergolas, and staircase in this garden space make for a stunning backdrop.

Limonaia Conservatory – The Limonaia is a conservatory (or greenhouse) designed for our tropical and sub-tropical plants. From late-May through early-September, these plants are moved from outdoors around the property. This leaves a primarily emptied room available to host your ceremony. During the on-season, this space is not air-conditioned, but is ventilated by the windows and doors. The Limonaia serves as the backup plan in case of inclement weather, but if you love the space, it can be utilized as your primary ceremony location.

Great Hall – The Great Hall houses our daytime café, the Farmer and the Fork, year-round, but in the evenings it is transformed into the inclement weather backup space for cocktail hour. With draped fabric and some décor, the space quickly takes on a whole new look! The Great Hall terrace also has one of the best sunset views on the property.

Rendering of the Reservoir Room

Reservoir Room – A brand new space built in 2024, the Reservoir Room offers a naturally lit room with floor-to-ceiling windows and a ceiling adorned with elegant copper details. Glass doors lead out onto a terrace with stunning views of the Wachusett Reservoir. A loop hearing system integrated into the room makes this an accessible space for guests. This room can serve as the inclement weather backup location for either ceremony or cocktail hour.

Orangerie – The Orangerie, is a conservatory (or greenhouse) designed for our tropical and sub-tropical plants. From late May through early September these plants are moved outdoors. This leaves a primarily emptied room available to host your reception for up to 120 guests. There are multiple permanent plant fixtures within the space including vines, palms, and succulents. During the on-season this space is not air conditioned, but is ventilated by the windows and doors. Included in our venue fees are 60" round tables that seat 8 to 10 guests comfortably. Fruitwood Chiavari chairs with white cushions are also included for reception. A typical layout of the room includes a centered dance floor, guest tables, and a sweetheart table or head table centered under the doors to the Winter Garden. The DJ or band is placed near the dance floor along the brick walls where power is located. The in-house lighting on the ceiling and in the floor is all soft white, similar to the Winter Garden. Once the sun goes down, the space takes on a magical feel that guests enjoy on the dance floor all night long.
