Event Locations

Limonaia

The Limonaia is a conservatory (or greenhouse) designed to house collections of non-hardy plants such as citrus, palms, agave, camellias, orchids, and more during the colder months. The Limonaia is surrounded by beautiful views of our Winter Garden on one side and The Court on the other. Its curved beams and contemporary architecture fit perfectly with popular décor trends.

Orangerie

The Orangerie, like the Limonaia, is a conservatory (or greenhouse) designed to house collections of non-hardy plants such as citrus, palms, agave, camellias, orchids, and more during the colder months. It is a modern interpretation of an eighteenth-century-style greenhouse. With its glass ceiling and stunning architecture, this space will give you that “wow” factor you’re looking for!

Southeast Link

The Southeast Link is a lovely space with floor to ceiling windows, slate floors, and views of gardens and woods.

Reservoir Room

A bright, open space, this room has copper ceiling details and a wall of windows leading out to a terrace with beautiful views of Wachusett Reservoir.
