

New England
Botanic Garden
AT TOWER HILL

Evening Socials

New England Botanic Garden at Tower Hill is one of the region's premier locations for your private event, offering a serene backdrop of gardens, woodlands, meadows, and mountain views that will leave your guests inspired and in awe of their surroundings. Whether it is a bridal or a baby shower, birthday, retirement, or cocktail party, whatever the occasion may be, the Garden provides a picturesque environment that your guests will talk about for years to come.

Each season offers a different garden experience. Spring brings beautiful bulbs including daffodils, tulips, and more. Summer gardens feature dramatic, colorful displays of annuals and perennials. In autumn, views of fall foliage are unmatched in the region, and winter at the Garden offers an escape from the cold as guests explore our subtropical conservatories.

Event Locations

Limonaia

The Limonaia is a conservatory (or greenhouse) designed to house collections of non-hardy plants such as citrus, palms, agave, camellias, orchids, and more during the colder months. The Limonaia is surrounded by beautiful views of our Winter Garden on one side and The Court on the other. Its curved beams and contemporary architecture fit perfectly with popular décor trends.

Orangerie

The Orangerie, like the Limonaia, is a conservatory (or greenhouse) designed to house collections of non-hardy plants such as citrus, palms, agave, camellias, orchids, and more during the colder months. It is a modern interpretation of an eighteenth-century-style greenhouse. With its glass ceiling and stunning architecture, this space will give you that “wow” factor you’re looking for!

Great Hall

The Great Hall’s stone fireplace and outdoor terrace offer panoramic views of Wachusett Reservoir and Mount Wachusett.

Reservoir Room

A bright, open space, this room has copper ceiling details and a wall of windows leading out to a terrace with beautiful views of Wachusett Reservoir.
