## Position Overview

Temporary Visitor Services Associates are a group of staff that mostly help facilitate Visitor Services at events that take place outside of regular Garden hours, like concerts, extended hours, and evening light shows. Duties range from directing visitors to ticket operations to membership sales, and during Night Lights, assisting callers to our Night Lights hotline. All new employees will receive training in customer service skills and, as needed, the software used to sell tickets and memberships, along with general software for internal messaging.

- Providing general information for visitors such as suggested routes through the gardens or displays and where to find visitor facilities such as restrooms and food service.
- For Admission shifts: Greeting all visitors as they enter the property and either selling admissions through our on-site point of sale system or checking-in pre-sold admissions through our ticket reservation system.
- For Night Lights Hotline shifts: Answer questions about Night Lights, sell ticket and membership sales, and assist ticket holders with rescheduling.
- Have basic familiarity with our membership levels and their associated benefits and be able to sell or renew memberships in our point-of-sale system.
- Be welcoming to all staff and the public and respectful of staff differences and preferences.
- Use gender-neutral communication styles and respect everyone's pronouns.
- Work with an awareness of surroundings and be vigilant to any possible threat to the safety of staff and the public, or NEBG. Ensure all concerns are reported promptly.
