## AHS Garden Network

[www.ahsgardening.org/ahs-garden-network](http://www.ahsgardening.org/ahs-garden-network)

### Get the Most Out of Your Garden Visit

- All gardens offer network visitors free admission during regular open hours. Please see the online directory for individual gardens' benefits and rules before planning your visit or call your garden of interest before you plan your visit to learn more.
- Most gardens with parking offer it for free to network visitors but check before you visit.
- Free admission does not include special events, like festivals or special exhibits.
- Some network gardens opt to utilize a **local visitor exception**—this means that the garden offers benefits (such as free admission) only to network visitors whose membership card address is more than 90 miles from the garden. Reference the individual garden directory listing to determine if your garden of interest utilizes this exception.
- When visiting a network garden, present your current membership card (from AHS or a participating network garden) at the admissions counter to receive the benefit(s) listed for that garden. Each card will only admit the individual(s) whose name is listed on the card. In the case of a family, couple, or household membership card that does not list individual names, AHS requests that the garden honor the same number of people for free admission as the garden's equivalent membership card would for their own members.
- Remember that the gardens you visit rely on admissions and donations to maintain their collections and gardens for all to enjoy. Please support them by visiting their gift shops or making a contribution.

*This booklet was last updated on February 25, 2026. Please note that Garden participation is subject to change. For the most up-to-date information, visit [ahsgardening.org/ahs-garden-network](http://ahsgardening.org/ahs-garden-network).*
